

Privacy Policy for IhaveRoom Mobile Application

Privacy Policy

Last updated: February 21, 2023

This Privacy Policy describes our policies and procedures on the collection, use and disclosure of user's information when you use our mobile application and tells you about user's privacy rights and how the law protects users.

We use users' Personal data to provide and improve the application service. By using the application service, users agree to the collection and use of information in accordance with this Privacy Policy.

Definitions

For the purposes of this Privacy Policy:

- **Account** means a unique account created for You to access our Service or parts of our Service.
- **Application** refers to IhaveRoom, the software program provided by the Company.
- **Company** (referred to as either "the Company", "We", "Us" or "Our" in this Agreement) refers to IhaveRoom Co, Ltd, 279/41 Moo12, Banglamung, Chonburi province, Thailand 20150.
- **Personal Data** is any information that relates to an identified or identifiable individual.
- **Service** refers to the Application.
- **Service Provider** means any natural or legal person who processes the data on behalf of the Company. It refers to third-party companies or individuals employed by the Company to facilitate the Service, to provide the Service on behalf of the Company, to perform services related to the Service or to assist the Company in analyzing how the Service is used.
- **Third-party Social Media Service** refers to any website or any social network website through which a User can log in or create an account to use the Service.
- **Usage Data** refers to data collected automatically, either generated by the use of the Service or from the Service infrastructure itself
- **User** means the individual accessing or using the Service, or the company, or other legal entity on behalf of which such individual is accessing or using the Service, as applicable.

Collecting and Using Your Personal Data

Types of Data Collected

Personal Data

While using Mobile App, we may ask users to provide us with certain personally identifiable information that can be used to contact or identify the user. Personally identifiable information may include, but is not limited to:

- First name and last name
- Phone number
- Citizenship
- Photo
- Whatsapp, Facebook, Viber account information
- Usage Data

Usage Data

Usage Data is collected automatically when using the app.

Usage Data may include information such as User's Device's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that user visits, the time and date of user's visit, the time spent on those pages, unique device identifiers and other diagnostic data.

When users access the Service by or through a mobile device, the app may collect certain information automatically, including, but not limited to, the type of mobile device user uses, user's mobile device unique ID, the IP address of user's mobile device, user's mobile operating system, the type of mobile Internet browser user uses, unique device identifiers and other diagnostic data.

We may also collect information that user's browser sends whenever user visits our app or when user accesses the service by or through a mobile device.

Information from Third-Party Social Media Services

The Company allows a user to create an account and log in to use the Service through the following Third-party Social Media Services:

- Google
- Facebook

- Whatsapp
- Viber

If a user decides to register through or otherwise grant us access to a Third-Party Social Media Service, the app may collect Personal data that is already associated with user's Third-Party Social Media Service's account, such as user's name, user's email address, user's activities or Your contact list associated with that account.

You may also have the option of sharing additional information with the Company through user's Third-Party Social Media Service's account. If a user chooses to provide such information and Personal Data, during registration or otherwise, user is giving the Company permission to use, share, and store it in a manner consistent with this Privacy Policy.

Information Collected while Using the Application

While using our Application, in order to provide features of our Application, we may collect, with user's prior permission:

- Information regarding user's location
- Pictures and other information from user's Device's camera and photo library

We use this information to provide features of our Service, to improve and customize Our Service. The information may be uploaded to the Company's servers and/or a Service Provider's server or it may be simply stored on Your device.

You can enable or disable access to this information at any time, through Your Device settings.

Use of Users' Personal Data

The Company may use Personal Data for the following purposes:

- **To provide and maintain our Service,** including to monitor the usage of our Service.
- **To manage User's Account:** to manage registration as a user of the Service. The Personal Data user provides can give a user access to different functionalities of the Service that are available to user as a registered user.
- **To contact a User:** to contact user by telephone calls, SMS, or other equivalent forms of electronic communication, such as a mobile application's push notifications regarding updates or informative communications related to the functionalities, products or contracted services, including the security updates, when necessary or reasonable for their implementation.
- **To manage user's requests:** to attend and manage user's requests to Us.
- **For business transfers:** We may use user's information to evaluate or conduct a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of Our assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which Personal Data held by Us about our Service users is among the assets transferred.

- **For other purposes:** we may use user's information for other purposes, such as data analysis, identifying usage trends, determining the effectiveness of our promotional campaigns and to evaluate and improve our mobile application.

We may share user's personal information in the following situations:

- **With Service Providers:** We may share user's personal information with Service Providers to monitor and analyze the use of our service, to contact user.
- **For business transfers:** We may share or transfer user's personal information in connection with, or during negotiations of, any merger, sale of Company assets, financing, or acquisition of all or a portion of our business to another company.
- **With Affiliates:** We may share user's information with our affiliates, in which case we will require those affiliates to honor this Privacy Policy. Affiliates include our parent company and any other subsidiaries, joint venture partners or other companies that we control or that are under common control with us.
- **With other users:** when users share personal information or otherwise interact in the public areas with other users, such information may be viewed by all users and may be publicly distributed outside. If users interact with other users or register through a Third-Party Social Media Service, users' contacts on the Third-Party Social Media Service may see user's name, profile, pictures and description of user's activity. Similarly, other users will be able to view descriptions of user's activity, communicate with user and view user's profile.

Retention of User's Personal Data

The Company will retain User's Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use User's Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.

The Company will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of Our Service, or We are legally obligated to retain this data for longer time periods.

Transfer of User's Personal Data

User's information, including Personal Data, is processed at the Company's operating offices and in any other places where the parties involved in the processing are located. It means that this information may be transferred to — and maintained on — computers located outside of user's state, province, country or other governmental jurisdiction where the data protection laws may differ than those from user's jurisdiction.

Your consent to this Privacy Policy followed by user's submission of such information represents user's agreement to that transfer.

The Company will take all steps reasonably necessary to ensure that user's data is treated securely and in accordance with this Privacy Policy and no transfer of user's Personal Data will take place

ce to an organization or a country unless there are adequate controls in place including the security of user's data and other personal information.

Delete User's Personal Data

Users have the right to delete or request that we assist in deleting the Personal Data that we have collected about users by contacting us by email ihaveroom1@gmail.com.

Our Service may give users the ability to delete certain information about them from within the mobile application.

Users may update, amend, or delete their information at any time by signing in to Users' Account, if they have one, and visiting the account settings section that allows them to manage their personal information.

Please note, however, that We may need to retain certain information when we have a legal obligation or lawful basis to do so.

Disclosure of Users' Personal Data

Business Transactions

If the Company is involved in a merger, acquisition or asset sale, Users' Personal Data may be transferred. We will provide notice before Users' Personal Data is transferred and becomes subject to a different Privacy Policy.

Law enforcement

Under certain circumstances, the Company may be required to disclose Users' Personal Data if required to do so by law or in response to valid requests by public authorities (e.g. a court or a government agency).

Other legal requirements

The Company may disclose Users' Personal Data in the good faith belief that such action is necessary to:

- Comply with a legal obligation
- Protect and defend the rights or property of the Company
- Prevent or investigate possible wrongdoing in connection with the Service
- Protect the personal safety of Users of the Service or the public
- Protect against legal liability

Security of Users' Personal Data

The security of Users' Personal Data is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While We strive to use commercially acceptable means to protect Your Personal Data, We cannot guarantee its absolute security.

Children's Privacy

Our Service does not address anyone under the age of 18. We do not knowingly collect personally identifiable information from anyone under the age of 18. If you are a parent or guardian and you are aware that your child has provided us with Personal Data, please contact us. If We become aware that we have collected Personal Data from anyone under the age of 18 without verification of parental consent, We take steps to remove that information from our servers.

Links to Other Websites

Our Service may contain links to other websites that are not operated by us. If you click on a third party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy of every site you visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

Changes to this Privacy Policy

We may update our Privacy Policy from time to time. We will notify users of any changes by posting the new Privacy Policy on this page.

We will let users know via prominent notice in mobile application, prior to the change becoming effective and update the "Last updated" date at the top of this Privacy Policy.

Users are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
